

High Performance Filtration Products & Unsurpassed Service!

TO WHOM IT MAY CONCERN:

Mettle Filtration Products is a CRITICAL Supplier to the medical supply industry. We manufacture filtration products that are essential to the production of many Medical devices, parts, and processes. We must continue operations to keep supply intact during this difficult period.

CRITICAL MANUFACTURING (CISA.GOV)

- Workers necessary for the manufacturing of materials and products needed for medical supply chains, and for supply chains associated with transportation, energy, communications, food and agriculture, chemical manufacturing, nuclear facilities, the operation of dams, water and wastewater treatment, emergency services and defense industrial base. Additionally, workers needed to maintain the continuity of these functions and associated supply chains.

The employee named below is in good standing, is healthy and must travel to and from work each day 8 AM- 5 PM.

NAME: Angela Poujol

ADDRESS: 22 E. Rivercrest Dr., Houston, TX 77042

CELL PHONE: 713-702-8402
